Virtual PC 2004 SP1

**Brief Description**

Download the full version of Microsoft Virtual PC 2004 SP1. The Microsoft Software License Terms for Microsoft Virtual PC 2004 included in the download package supersedes the license terms displayed during the setup of Microsoft Virtual PC 2004. By downloading and using this software, you agree to these new license terms.

On This Page[Quick Details](#)[System Requirements](#)[Additional Information](#)[What Others Are Downloading](#)[Overview](#)[Instructions](#)[Related Resources](#)**Download****Quick Details**

File Name:	Virtual PC 2004 SP1.zip
Version:	582.27
Date Published:	8/30/2006
Language:	English
Download Size:	18.2 MB
Estimated Download Time:	<input type="text" value="Dial-up (56K)"/> 45 min

Change Language:**Overview**

Save time and money as Virtual PC allows you to maintain the compatibility of legacy and custom applications during migration to new operating systems and increases the efficiency of support, development, and training staffs.

[↑ Top of page](#)**System Requirements**

- **Supported Operating Systems:** Windows 2000 Service Pack 4; Windows Server 2003, Standard Edition (32-bit x86); Windows XP Service Pack 2

Processor: Athlon®, Duron®, Celeron®, Pentium® II, Pentium III, or Pentium 4

Processor speed: 400 MHz minimum (1 GHz or higher recommended)

RAM: Add the RAM requirement for the host operating system that you will be using to the requirement for the guest operating system that you will be using. If you will be using multiple guest operating systems simultaneously, total the requirements for all the guest operating systems that you need to run simultaneously.

Available disk space: To determine the hard disk space required, add the requirement for each guest operating system that will be installed.

Virtual PC 2004 SP1 runs on: Windows 2000 Professional SP4, Windows XP Professional, and Windows XP Tablet PC Edition.

[↑ Top of page](#)

Instructions

Once you have completed the download, double-click Setup.exe file to begin the installation process.

[↑ Top of page](#)

Additional Information

If you are running Virtual PC on a notebook, the hotfix contained in the Laptop Hotfix folder should be applied after installation. For more information on the hotfix, please visit <http://support.microsoft.com/?kbid=889677> .
